## Oktoberfest = Schnitzel Fest

Schnit-zel \s(h)nitzel \ German, literally, shaving, chip, diminutive of *Schnitz* slice, from Middle High German *snitz*; akin to Old High German *snīdan* to cut, Old English *snīthan*, and perhaps to Czech *snět* bough: a lean seasoned and garnished veal, pork, wild boar, chicken or turkey cutlet. *From: Webster's Collegiate Dictionary.*
