## It's Sommerfest at the Bavarian Grill

With the arrival of summer in Texas, you'll find many good reasons to celebrate at the Bavarian Grill.

Take, for example, our Sommerfest "Happy Hour." Every Tuesday and Thursday from 4 p.m. until 7 p.m. we offer a special Happy Hour in the Bier Garten. **You save \$1 per drink**, which includes any Bier, Wein or Liquor.

Wednesdays are always special for Stein Club members who receive a \$1 discount on any Bier they drink in their Stein!

With some new arrivals at our Bar, we can now serve you many of the international drinks that you have asked for.

During the summer Bavarians enjoy lighter Weizenbier, or wheat beer. We invite you take the challenge to work toward winning a special Bavarian Grill T-shirt. On the front it says, "Sommerzeit ist Weissbierzeit im Bavarian Grill" and on the back,

"Weizenbier, not just for breakfast anymore."

Those of you who have been to Bavaria know that summer is the time to visit the local "Eiscafe" and enjoy a variety of frozen drinks made with delicious varieties of ice cream, fruit and coffee. Check out the new additions in our Bavarian Eiscafe right here in Plano!

There is also still time to celebrate "Weisser Spargel," or white asparagus, which is also known as the Queen of Vegetables. Another very popular dish is Fairy Tale King Ludwig's Favorite Schnitzel.

To enhance the enjoyment of your visit to the Bavarian Grill, we offer a variety of special entertainment. In the Bavarian Grill Bier Garten on Tuesdays you can hear the Bavarian Bier Jazz Dixieland Band. On Fridays it's time for a rollicking Polkafest and on Saturdays you're invited to join in the "Sing-along" Fest.

Are you planning a wedding, your very own Sommerfest, or a family reunion? The Bavarian Grill Bankett Stuben is the perfect place. Please call to arrange your personal tour, and we will gladly assist you with planning your menu.

You and your friends and family will find that summers are always cool and enjoyable at the Bavarian Grill in Plano. Thanks for your continued support!

## Stein Club Meeting on June 11

When they meet at 7 p.m., June 11 in the Jäger Stube, members of the Bayern Stein Club

will view an informative slide show and be treated to samples of the Bavarian Helle Hefe Weizen, compliments of our friends at Schneider, Franziskaner, Hacker Pschorr, Paulaner and Tucher.

The Bavarian Grill will also provide some complementing hors d'oeuvres. After the meeting, members and their guests are invited to join us in the Bier Garten for some fun with Alan Walling on the accordion and to discuss the meeting or other events of the day.

## Sommerzeit ist Weissbierzeit

Sommer in Bavaria — and at the Bavarian Grill in Plano — means it's time to enjoy a light, refreshing Weizenbier, or wheat beer, while also working toward a brand new shirt.

We've created a special card that lists all our Weissbiers, from the light and refreshing Kristall Weizen to the fruity and yeasty Helle Hefeweizen to the dark and round Dunkel Weizen. Take on our challenge to drink one of each of these great summer beverages and win a very special Bavarian Grill T-shirt. On the front it says, "Sommerzeit ist Weissbierzeit im Bavarian Grill." On the back it states: "Weizenbier, not just for breakfast anymore."

So come to the Bavarian Grill to enjoy a Bavarian Sommer and then show off your new shirt to your friends!

## Bavarian Grill Bar News

Mike, who presided over the bar in the non-smoking area, has left to continue his studies at the University of North Texas in Denton. We wish him the best. Keep on studying!

Andrea, a longtime Bavarian Grill Team member from Thuringia, Germany, has taken over the bar management together with Barbara, Lukas and Scottie. Please stop by and congratulate them.

We've extended our offerings to serve you with several more international drinks that you have asked for. The selection of Scotches now includes Dewar's, Johnnie Walker Red and Black, Grant's and Glenfiddich. From Canada we brought Seagram's VO and Crown Royal. England's Gins now include Tangueray, Beefeater and Bombay Sapphire. We have also upgrad-

ed your selection of Vodkas to include Smirnoff, Stolichnaya and Absolut Citron. Many other choices are available to prepare your favorite drink. The next time you're at the bar, check out our new selections to see what we have added. Then tell us if your favorite is not in yet. If it's not, we'll try to get it for you!
