## It's Oktoberfest at the Bavarian Grill!

It's Oktoberfest at the Bavarian Grill — the festivities started with the ceremonial keg tapping on September, 21. Many Stein Club members and regular guest participated in this annual event. They enjoyed the music of the traditional 16 piece Bavarian Brass Band "Texanische Frohsinn Kapelle" in the outdoor Bier Garten of the Bavarian Grill. To celebrate the Oktoberfest the Bavarian Grill features the Schnitzelfest Menu with 16 different Schnitzels. Favorites include the Rahm Schnitzel with it's creamy sauce, the Schnitzel

"Baden-Baden" that is topped with lingonberries, melted Swiss Emmentaler Cheese and a half a pear, and the spicy Zigeuner Schnitzel with red and green bellpeppers in a rustic Paprika sauce. Another favorite for spicy food lovers is the Pfeffer Schnitzel that is coated with coarsely ground black pepper corns or the Knoblauch Schnitzel which is rubbed with lots of crushed garlic and lemon juice. Bavarian Grill guests enjoy their choice of 13 different side dishes, as they can all year round. 🍷
